Directions for Tuesday and Wednesday:

1. Look Carefully – Study the image on the back of this paper. Notice details like objects, background, mood, and shapes.
2. Choose One Big Change – Decide what you want to change. You can:
 - Add something surprising (like a creature, person, or object).
 - Remove something important.
 - Switch the setting (day into night, city into jungle, etc.).
 - Change the size (make small things huge or big things tiny).
 - Shift the mood (happy, scary, peaceful, exciting).
3. Redraw in Your Sketchbook – On a new page in your sketchbook, redraw the original image but with your change added in. Be sure to put today's date at the top of the page.
4. Use the Full Page – Make your drawing large and fill the sketchbook page (avoid tiny doodles in the corner).
5. Final Touches – Add details so your creative change is clear and complete.

Thursday: Free draw- Draw what you want but have something fall related.

Friday: Draw the image from ant's eye view.
