# Sketchbook Weird Animals- Week 5 q3

## Directions:

*During your Bellwork time this week complete the following in your sketchbook:*

*How would you illustrate weird animals using the illusion of space?*

1. Draw weird animals using at least one of the illusions of space (overlapping, placement, detail, color/value, size, or linear perspective)
2. Have at least 3 weird animals
3. Fill your page
4. Add ink and color or grayscale
  - (This exercise help to build your visual vocabulary and to keep drawing)
